About Dove Hearing Centres

Neil and Rebecca Cross RHAD MSHAA started Burton upon Trent Hearing Centre over eleven years ago, it is an independent family run business with over 40 years of hearing industry experience

The success of the business has been based upon giving impartial and professional advice concerning the clients hearing needs and the technology available. The business acquired Wardles Hearing Centre, a 40 year hearing business in 2010, to further expand and develop Dove Hearing Centres the Lichfield branch was opened in 2014.

At their hearing centres in Burton, Lichfield and Stoke-on-Trent they are able to offer a free hearing assessment within a sound proof environment to give an accurate hearing test, which is then explained in detail to you and dependant on the results the decision is made to either have regular check ups or if a hearing aid is required they can talk you through all of the available options.

As an independent Neil and Rebecca work with all the hearing aid manufacturers, unlike many of the national companies who tend to be affiliated to one or two, they can give impartial advice across the wide range of hearing aids, they are also up to 50% cheaper than other companies.

Services available at Dove Hearing Centres:
