## Why Dove Hearing

With Dove Hearing Centres, you'll never get the hard sell when it comes to hearing aids. Instead, we put our complete focus on assessing your hearing, determining the degree of loss and then looking at all the treatment options available to you.

Our hearing specialists will never push you to purchase a product you aren't sure of. Following your hearing test, they will make recommendations on the best course of action and only move forwards on your say so.

Both Neil and Rebecca Cross RHAD MSHAA have over 40 years of experience in hearing care. With Dove Hearing Centres, you will receive free, unbiased advice on how to deal with your hearing loss and the highest level of

support possible depending on your individual needs.

## Technical Specifications

---

The Bernafon Saphira 3 is the second level of technology in this range of hearing aids.

Key features of the Saphira range:

- Channel Free Processing - Designed to give you a more natural sound quality.
- Speech Cue Priority - Amplifies speech.
- Adaptive Feedback Canceller Plus – Prevents the hearing instruments whistling.
- Adaptive Directionality – Depending on the speech direction, the microphones will automatically adjust to pick up the sound.
- Binaural Coordination – Adjust both hearing instruments at the same time.
- Wind Noise Monitor – Protects against the discomfort of wind noise.

Hearing Aid Accessories:

- RC-N Remote Control – For volume and program adjustment.
- SoundGate 3 – Interface for wireless communication, remote control. With telecoil. (Bluetooth)
- SoundGate Mic – Clip on microphone. (requires SoundGate 3)
- TV Adapter 2 – Enables wireless reception of TV audio signals. (Bluetooth)
- Phone Adapter 2 - Enables wireless reception of landline phone calls. (Bluetooth)

## About Dove Hearing Centres

---

Neil and Rebecca Cross RHAD MSHAA started Burton upon Trent Hearing Centre over eleven years ago, it is an independent family run business with over 40 years of hearing industry experience

The success of the business has been based upon giving impartial and professional advice concerning the clients hearing needs and the technology available. The business acquired Wardles Hearing Centre, a 40 year hearing business in 2010, to further expand and develop Dove Hearing Centres the Lichfield branch was opened in 2014.

At their hearing centres in Burton, Lichfield and Stoke-on-Trent they are able to offer a free hearing assessment within a sound proof environment to give an accurate hearing test, which is then explained in detail to you and dependant on the results the decision is made to either have regular check ups or if a hearing aid is required they can talk you through all of the available options.

As an independent Neil and Rebecca work with all the hearing aid manufacturers, unlike many of the national companies who tend to be affiliated to one or two, they can give impartial advice across the wide range of hearing aids, they are also up to 50% cheaper than other companies.

### Services available at Dove Hearing Centres:
