GN RESOUND ENYA 4 HEARING AID

dovehearingcentres.co.uk/gn-resound-nya-4/

Overview

The ReSound Enya 4 hearing aid from GN Hearing delivers excellent sound quality and speech understanding, all through its discreet, durable designs. When coupled with the 2.4GHz wireless accessories, the Enya hearing aids can stream sounds from your multimedia systems (such as your television) straight to your ears. And the ReSound Control app gives you greater, personalised control at the touch of a button.

Why Dove Hearing

With Dove Hearing Centres, you'll never get the hard sell when it comes to hearing aids. Instead, we put our complete focus on assessing your hearing, determining the degree of loss and then looking at all the treatment options available to you.

Our hearing specialists will never push you to purchase a product you aren't sure of. Following your hearing test, they will make recommendations on the best course of action and only move forwards on your say so.

Both Neil and Rebecca Cross RHAD MSHAA have over 40 years of experience in hearing care. With Dove Hearing Centres, you will receive free, unbiased advice on how to deal with your hearing loss and the highest level of support possible depending on your individual needs.

Technical Specifications

The Resound Enya 4 is the highest level of technology in this range and has 10 processing channels

The Enya 4 has:

- 10 WARP™ Processing Channels.
- 10 Available Gain Handles - for fine tuning adjustments.
- 4 Fully Flexible Programmes – For personalisation.
- Synchronised Push Button & Volume Control – Allows for ease of program and volume control changes. Changes made to one instruments will occur in the other.
- Comfort Phone™ - The telephone ear hearing aid automatically changes to a dedicated phone program whilst the non-telephone ear hearing aid reduces in volume slightly to help you concentrate better whilst still being aware of your environment.
- Ear-to-Ear Communication – Change the volume or program of both hearing aids by adjusting just one of them.
- Softswitching - Comfortable and convenient transition between directional options.
- Windguard™ - Reduces wind noise in outdoor environments.

Key features of the Enya range:

- SmartStart™ - delays the switch-on time of your hearing instrument after you have closed the battery compartment. For your comfort while inserting your hearing aid.
- iSolate™ Nanotech – Long-lasting protection from water, dust, sweat and earwax.
- Fixed Directionality – Amplifies sounds from the front more than the side or behind.
- NoiseTracker™ II - Noise reduction system, allowing comfortable hearing in noise.
- DFS Ultra™ II – The adaptive filter accurately identifies and cancels feedback. At the same time, the built in Whistle Control™ predicts feedback and optimises amplification in dynamic situations.
- Auto DFS™ - Feedback management system.
- Tinnitus Sound Generator – Provides you with ways to personalize sound therapy helping you to cope with tinnitus.
- Wireless 2.4Ghz Connectivity.

- PhoneNow™ - automatic phone detection allows convenient phone conversation.
- Adaptive Directionality – Cancels out loud sounds behind the wearer, reducing background noise and improving forward-facing focus, especially speech

Accessories:

- Unite Remote Control 2.
- Unite TV Streamer 2.
- Unite Phone Clip+.
- Unite Mini Microphone
- Resound Control App (Phone Clip+ required)
- Resound Relief App (Phone Clip+ required)

About Dove Hearing Centres

Neil and Rebecca Cross RHAD MSHAA started Burton upon Trent Hearing Centre over eleven years ago, it is an independent family run business with over 40 years of hearing industry experience

The success of the business has been based upon giving impartial and professional advice concerning the clients hearing needs and the technology available. The business acquired Wardles Hearing Centre, a 40 year hearing business in 2010, to further expand and develop Dove Hearing Centres the Lichfield branch was opened in 2014.

At their hearing centres in Burton, Lichfield and Stoke-on-Trent they are able to offer a free hearing assessment within a sound proof environment to give an accurate hearing test, which is then explained in detail to you and dependant on the results the decision is made to either have regular check ups or if a hearing aid is required they can talk you through all of the available options.

As an independent Neil and Rebecca work with all the hearing aid manufacturers, unlike many of the national companies who tend to be affiliated to one or two, they can give impartial advice across the wide range of hearing aids, they are also up to 50% cheaper than other companies.

Services available at Dove Hearing Centres:

- Free hearing test
- Micro-suction wax removal
- Free independent expert advice on all types of hearing systems
- Free ongoing aftercare
- High standards of customer care
- Time to listen to your hearing problems
- Time to help you through your hearing rehabilitation
- All types and sizes of hearing aids from all manufacturers
- 30 day money back guarantee
- Battery service
- Repairs and adjustments to all makes of hearing aids
- Noise protection products and advice
- Custom made swim plugs
- Programme of regular check ups
- Full manufacturer hearing aid warranty
- Save up to 40% off national Hearing Company prices
- Latest digital hearing aids from £599

If you would like a free no obligation hearing test or would simply like to discuss any hearing or hearing aid queries, please do not hesitate to get in touch.

Rebecca and Neil are so knowledgeable, friendly and helpful that they make the whole process of overcoming hearing loss very manageable through their support. I have moved from their Staffordshire base but travel back to see Rebecca when necessary - and always have a warm welcome. - **Mrs J Preece, Leicestershire**
