Why Dove Hearing

With Dove Hearing Centres, you'll never get the hard sell when it comes to hearing aids. Instead, we put our complete focus on assessing your hearing, determining the degree of loss and then looking at all the treatment options available to you.

Our hearing specialists will never push you to purchase a product you aren't sure of. Following your hearing test, they will make recommendations on the best course of action and only move forwards on your say so.

Both Neil and Rebecca Cross RHAD MSHAA have over 40 years of experience in hearing care. With Dove Hearing Centres, you will receive free, unbiased advice on how to deal with your hearing loss and the highest level of support possible depending on your individual needs.

Technical Specifications

Oticon Siya 1 is the top level of technology in this range. It has 48 processing channels

Key features of the Siya range:

- Adaption Management - Adapts in 3 steps for gradual user acclimatisation to a new hearing aid.
- Stereo Streaming - Streams audio input in stereo. (except CIC or IIC)
- Feedback Shield LX - An ultra-fast and effective feedback management system.
- Wind Noise Management - Protects against the discomfort of wind noise. (except CIC or IIC)
- Noise Reduction LX - Helps in noisy situations by turning down the loud and intense noise.
- Multiband Adaptive Directionality LX - Provides optimised speech understanding by suppressing multiple interfering noise sources. (except CIC or IIC)

Hearing Aid Accessories: Not including CIC or IIC hearing aids

- Made for iPhone - When the hearing aid is directly connected to iPhone it can double as a wireless headset.
- Oticon ON App - Allows the user to adjust the volume, switch between programs and settings.
- TV Adapter 3.0 - Stream stereo audio to your hearing aids.
- Remote Control 3.0 - Adjust volume, switch between programs or control connectivity sources.

About Dove Hearing Centres

Neil and Rebecca Cross RHAD MSHAA started Burton upon Trent Hearing Centre over eleven years ago, it is an independent family run business with over 40 years of hearing industry experience

The success of the business has been based upon giving impartial and professional advice concerning the clients hearing needs and the technology available. The business acquired Wardles Hearing Centre, a 40 year hearing business in 2010, to further expand and develop Dove Hearing Centres the Lichfield branch was opened in 2014.

At their hearing centres in Burton, Lichfield and Stoke-on-Trent they are able to offer a free hearing assessment within a sound proof environment to give an accurate hearing test, which is then explained in detail to you and dependant on the results the decision is made to either have regular check ups or if a hearing aid is required they can talk you through all of the available options.

As an independent Neil and Rebecca work with all the hearing aid manufacturers, unlike many of the national companies who tend to be affiliated to one or two, they can give impartial advice across the wide range of hearing aids, they are also up to 50% cheaper than other companies.

Services available at Dove Hearing Centres:

- Free hearing test
- Micro-suction wax removal
- Free independent expert advice on all types of hearing systems
- Free ongoing aftercare
- High standards of customer care
- Time to listen to your hearing problems
- Time to help you through your hearing rehabilitation
- All types and sizes of hearing aids from all manufacturers
- 30 day money back guarantee
- Battery service
- Repairs and adjustments to all makes of hearing aids
- Noise protection products and advice
- Custom made swim plugs
- Programme of regular check ups
- Full manufacturer hearing aid warranty
- Save up to 40% off national Hearing Company prices
- Latest digital hearing aids from £599

If you would like a free no obligation hearing test or would simply like to discuss any hearing or hearing aid queries, please do not hesitate to get in touch.

Rebecca and Neil are so knowledgeable, friendly and helpful that they make the whole process of overcoming hearing loss very manageable through their support. I have moved from their Staffordshire base but travel back to see Rebecca when necessary - and always have a warm welcome. - **Mrs J Preece, Leicestershire**
